

## ACRONYMS

ACSR	aluminum conductor steel reinforced
ASTM	American Society for Testing and Materials
BIL	basic impulse insulation level
C.B.	circuit breaker
CPR	cardiopulmonary resuscitation
CT	current transformer
FRC	flame retardant clothing
H.T.	high tension
HID	high intensity discharge
HPS	high pressure sodium
K.V.F.W.	kilovolt full wave
L.T.	low tension
LLP/HO	live line permit/hold off
LMB	load motorized break
LOA/MAD	limit of approach/minimum approach distance
MVA	megavolt-ampere
N/C	normally closed
N/O	normally open
OCR	oil circuit recloser
PCB	polychlorinated biphenyls
PISA	power-installed screw anchor
PPE	personal protective equipment
PT	potential transformer
PVC	polyvinyl chloride
RBD	radial boom derrick
RF	radio frequency
RVM	recording voltmeter
ULF	ultra low frequency
VLF	very low frequency
XLPE	cross-linked polyethylene
